From The Dining Room

Thank you to all of you that attended the Valentine's Dinner here at the VCC, it was a huge success. Don't forget that the dining room reopens on Thursday, February 18th from 5-9 PM. We will be open each Thursday, Friday, and Saturday through the months of February and March for dinner only. Come out to meet our new chef Rolando Gallegos and try some of the new entrees we will be featuring on our dinner menu! Please call for Reservations so we may staff properly to better serve you. We will be having the Easter Brunch here on Sunday April 4th, look for the flyer in the next billing cycle or go online to our website to see the flyer now. Don't forget to make reservations early, we will fill up fast! Please check the country club website for updates for hours on the rest of the 2010 season. Also keep a look for upcoming events we will be hosting here at the Country Club.

Are you or your friend's thinking about hosting an event? If so consider hosting it at the Valparaiso Country Club. Our Banquet room is the perfect place for it, it can seat up to 110 people and the entire club is available for larger functions. It's a perfect venue & setting for weddings, showers, business meetings, etc. You don't have to be a member to have a function at the country club, so let your friends, neighbors & family know. Call us for further details about setting up your event.

From The Superintendent

Hope everyone is experiencing a healthy and safe winter. The golf course continues to be covered by a thick blanket of snow which will protect the turf from desiccation or a "freeze drying effect". The golf course crew is working on equipment cleaning, repairs, reel & blade sharpening, golf cart conditioning and snow removal & salting of clubhouse grounds. We hope to shift work to golf course in the next few weeks for any dead tree removal and branch cleanup. The golf course will reopen when weather ground conditions permit. Looking forward to another great golfing season at V.C.C.
